## PRODUCT EVALUATION

For money spent, a great investment...  
EBC gives you the best in aftermarket replacement  
brakes and rotors for your ATV's.

"EBC makes a severe-duty metallic sintered  
brake pad for the most popular  
ATV's - including Polaris  
quads. They are specially  
designed to withstand the  
abuse of mud and abrasive  
soils on the rotors."

"Not only did they feel  
stronger, but after we put in  
well over 100 miles with the  
new pads, we checked them  
for wear and found they were  
still in great shape."
