Super Cleaner

- Great for all pre-assembly of motors; surface preparation for paint, decal and grip installation.
- Cleans carburetors, injector systems, disc brake rotors, pads, sparkplugs, etc...
- Removes moisture from ignition systems.
- Harmless to most plastics and paint.
- **Our most popular contact cleaner!**

Spray & Wash Degreaser

- Penetrating formula dissolves grease, dirt and oil in one step.
- Easy-to-use, spray on and hose off!
- Leaves a pleasant smelling, sparkling clean surface.

LPC-3 A/P Lube

- Dissipates moisture.
- Prevents rust and corrosion, lubricates to unlock frozen threads.

VHT Assembly Lube

- Dissipates moisture.
- Cleans carburetors, injector systems, disc brake rotors, pads, sparkplugs, etc...

Part #s	VL#	MFR#	Description	Retail
	55-1130	3-21	Super Clnr 20fl.oz	\$7.75
	55-1360	15-20	Spray/Wash 15 fl.oz	\$8.17
	55-1325	12-11	LPC 16 fl.oz	\$6.50
	55-1805	SP-701	VHT 11fl.oz	\$8.75

Air Filter Cleaner - Spray

- Now for Fabric or Foam air filters
- Easy-to-use spray, can be quickly hosed off.
- Quickly dissolves dirt and grime; Won't harm filter glues.
- The quickest, cleanest, easiest way to clean air filters!

Fabric Filter Oil - Spray

- For gauze type air filter; filters out dirt and sand.
- Water repelling, makes engine breathe more efficiently.

Foam Filter Oil - Spray

- No waste application and water repelling.
- Super tacky to filter out dirt and sand!
- Helps engine breathe more efficiently.
- The easiest way to oil your filter.

Foam Filter Oil - Liquid

- Super tacky, filters out dirt and sand & is water repelling.
- Makes engine breathe more efficiently.

	55-1369	15-202	Foam Filter Care Kit **	\$16.53

**Kit includes 1 Foam filter cleaner & 1 Foam filter oil spray.

Pro-Enviro Carb Cleaner

- Quickly cleans and frees valves, injectors, jets and linkages.
- Contains no chlorinated solvents.
- Environmentally safe product.
- Power spray.

Pro-Enviro Brake Cleaner

- Cleans and degreases contaminants from brake units.
- Increases performance.
- Environmentally safe product.
- Power spray.

Pro-Enviro Contact Cleaner

- Removes carbon and contaminants from spark plugs and electrical components.
- Environmentally safe product.
- Power spray.
- Contains no chlorinated solvents.
- Won't contaminate oils.

Goldfire Pro Premix

- Designed for the serious racer.
- Clean burning, no carbon build-up.
- Advanced petroleum/synthetic formula.
- Piston and Rings last twice as long.

PJH Brands makes the world's largest exclusive line of motorcycle paints, lubricants and maintenance products. Their technologically advanced formulas are used on the Navy's B-2 Bomber and Stealth Fighter, as well as NASA's Space Shuttle program. This same level of technology goes into each and every product they make, so you don't have to fly to the moon to enjoy the same proven results!
