### MTX TRANSMISSION FLUID

- Protection of clutch plate system.
- Easier and faster gear changing.
- SAE 10W-40.

Part #	Description&Size	Retail
57-8105	MTX TRANS SAE 10W40 1L	\$5.62

### MTX SYNTHETIC TRANSMISSION FLUID

- Premium quality synthetic based gearbox oil for 2-stroke engines.
- Exceptional film strength for extended transmission life.
- SAE 80W.

Part #	Description&Size	Retail
57-8110	MTX SYN TRANS SAE80W 1L	\$8.50

### SUPER HAND CLEANER

- Contains three times as many uses per ounce as the leading competitor, providing more cleaning power with less product!
- Unique formulation bonds to grease and dirt, and actually flakes off as hands rub together.
- No petroleum solvents.
- Conditions and protects dry hands.
- Fresh citrus scent!

Part #	Description&Size	Retail
57-9404	Super Hand Cleaner 4oz	\$3.08

### SUPER WHEEL CLEANER

- Spray and rinse foam formula penetrates both polished and etched wheel surfaces to cut through hard-to-clean road grime, brake dust, chain lube and grease build-up.
- Safe for all wheel finishes including clear lacquered, painted, anodized or polished aluminum, chrome plated or gold toned.
- Brings out the original factory finish shine.
- Helps prolong the life or your bike's expensive wheels.
- Convenient 24 oz. size.
- Environmentally safe - biodegradable, phosphate free, non-flammable.
- Also works great on engine parts and all other metal surfaces.

Part #	Description&Size	Retail
57-9212	Super Clean Wheel Cleaner	\$9.40

### SRF RACE BRAKE FLUID

- Exceptionally high wet and dry boiling point.
- Wet boiling point 518°F (270°C).
- Dry boiling point 590°F (310°C).
- Superior anti-vapor lock properties.
- Suitable for all non-mineral systems.
- Exclusive Castrol technology.
- Meets and exceeds DOT 3 & 4.

### GTLMA DOT 3/4 BRAKE FLUID

- Exceeds DOT 3 and DOT 4 requirements.
- Unique Low Moisture Activity (LMA) formulation provides maximum protection against vapor lock brake failure.
- Maintains a higher boiling point than conventional brake fluids.
- Superior protection against chloride and zinc corrosion of braking system parts.

Part #	Description&Size	Retail
57-8160	SRF Racing Brake Fluid 1L	\$83.97

Part #	Description&Size	Retail
57-8150	DOT3/4 BRK FL12OZ	\$3.22
57-8155	DOT3/4 BRK FL GAL	\$30.15
