ORDER SHEET

Cleaners/Degreasers/Specialty Lubricants Super Cleaner

- Great for all pre-assembly of motors; surface preparation for paint, decal and grip installation.
- Cleans carburetors, injector systems, disc brake rotors, pads, sparkplugs, etc...
- Removes moisture from ignition systems.
- Harmless to most plastics and paint.
- **Our most popular contact cleaner!**

Spray & Wash Degreaser

- Penetrating formula dissolves grease, dirt and oil in one step.
- Easy-to-use, spray on and hose off!
- Leaves a pleasant smelling, sparkling clean surface.

LPC-3 A/P Lube

- Dissipates moisture.
- Prevents rust and corrosion, lubricates to unlock frozen threads.

Engine Assembly Lube

- Protects engine and transmission parts during initial start-up time.
- Reduces friction and provides the edge in lubricating requirements.
- Mixes with all motor oils.
- Spray on formula to reach hard to get points during assembly.
- Used in top Indy and NASCAR racing engines!
