

## DEALER SUPPORT

### CD ROM:

Van Leeuwen Catalog #30 is also available on CD ROM! The entire catalog has been saved in a PDF format that can be accessed quickly from your CD drive, or saved to your hard drive for instant access. This full-color digital catalog opens with Acrobat Reader (included on disc) and is a snap to navigate. A must have for every sales counter! Works on IBM or Mac.

### Hi-Res Images:

High resolution images are available to help you with the production of catalogs, ads or web site development. Van Leeuwen will supply the entire catalog or just the images requested, on CD or via E-mail. All images are cataloged in folders by sections and can be saved as EPS, JPG or just about any format you need.

### Web Site:

For up to the minute info, visit our web site at [www.VLEonline.com](http://www.VLEonline.com). New product releases, company information and dealer services can all be found on the web. You can also E-mail us through the 'Contact' page on our web site to get prompt replies to any questions you may have.

### Price books:

Van Leeuwen Price Books are available for many popular dealer management systems through the vendors below. Simply call your software provider and request the latest Van Leeuwen Price Book. Updates are done quarterly. If your system isn't listed here, we may still be able to help. We can provide price files in ASCII text or Excel formats, or work directly with your software vendor.

**MIC**  
Systems & Software Inc.  
(714) 841-0333

**SHAMROCK**  
SYSTEMS  
(800) 797-9007

**NEXT / STEP**  
Computer & Software  
(201) 405-0857

**COUNTERMAN**  
(800) 937-6590

**BELLOHOWELL**  
Lightspeed  
(800) 521-0309

**ICS Stabilizer**

**ICS Stabilizer** allows the rider to feel smooth resistance free control while eliminating the dangerous "headshakes". ICS Stabilizer is a compact non-obtrusive steering stabilizer for for both street and off-road motorcycles utilizing hydraulic fluid for stabilizing pivotal movement of a motorcycle's front wheel.

Kits Include: Stabilizer, link arm, handlebar clamp, frame bracket and an instruction manual.

**BAR SNAKE**

The **Bar Snake** deadens the vibration that plagues all dirt bikes and most street bikes. The special rubber compound absorbs and dampens out most of the high frequency vibration that causes numbing and painful hand irritation.

**Safer, Easier Motorcycle Loading**  
The **BIKE PRO™** makes loading your bike onto the **LOAD PRO™** or trailer safer and easier. The overcentering design uses the weight of the bike to hold the front tire firmly so it's safe to get off the bike and tie it down.
