

K&N CUSTOM BILLET AIR CLEANER ASSEMBLIES

Metric Cruiser Air Filters

K&N Custom Performance Air Cleaners offer good looks with excellent airflow. Machined from billet aluminum, each air cleaner is luster polished, then chrome plated to compliment any show bike. Your motorcycle may need adjustment to the carburetor or fuel injection system to take full advantage of higher air flow.

Honda VTX1800 2002-2007

Custom Air Cleaners for "EVO" Harley-Davidson® Motorcycles

A remarkable combination of performance and style, K&N air cleaner assemblies are custom designed for Harley-Davidson®. Machined from billet aluminum, luster polished, then chrome plated to complement your show bike.

Two unique styles (shapes); Three unique finishes: Mirror, Ball Grooved or Flamed

These K&N custom air cleaners fit all "EVO" model Big-Twin and Sportsters with stock carburetors. Each K&N air cleaner comes complete and ready to use, including mounting bracket kit, nothing else to buy. These filters are legal only for racing vehicles. Not applicable, nor intended for use on emission controlled street or highway vehicles. Proper carburetor calibration is necessary to increase horsepower.

Sportster 1200cc 1991-1997			
Description	Air Cleaner Assembly Part #	Filter Only Part #	PreCharger Part #
Teardrop "Mirror"	RK-3904	E-3333	RK-3902PK

K&N Custom Air Cleaners for Harley-Davidson® Motorcycles

Air Filter Kit for most '99-'07 Harley Davidson® Twin Cam Motorcycles

The latest addition to K&N's RK Series was developed to get more horsepower from your Twin Cam® Harley-Davidson® engine. Built around the legendary K&N High-Flow Air Filter, the new RK Series assembly includes an innovative powder coated billet aluminum backplate that eliminates external breathers and features a built-in, dyno-tuned velocity stack. The result is a significant air-flow increase to the engine without sacrificing filtration. This RK Series assembly retains a factory appearance by utilizing the stock air cleaner cover, yet boasts superior filtration and performance and includes a K&N stamped laser-etched beauty ring.

- * Powder Coated Billet Aluminum Backplate Eliminates External Breathers
- * Features a Built-In Dyno-Tuned Velocity Stack
- * Retains Factory Air Cleaner Cover
- * K&N Stamped Laser-Etched Beauty Ring!
- * Includes Washable/Reusable K&N High-Flow Air Filter
- * Does Not Fit Twin Cam® Engines with Magneti Marelli Fuel Injection System

K&N Part # RK-3909

RK Series for Harley Davidson®			
Description	Size	Year	Part #
Harley Davidson Twin Cam Custom Assembly*	1 5/8"	99-07	RK-3909
Harley Davidson Twin Cam Assembly, Large Capacity*	2 1/4"	99-07	RK-3910
Large Capacity Filter Element for RK-3909 (Includes Longer Spacers)	2 1/4"	99-07	RT-3910

* Excludes Twin Cam Engines with the Magnetti-Morelli fuel injection system.

K&N Custom Air Filters for Aftermarket Air Cleaners

K&N Replacement Filters are designed to increase horsepower and acceleration while providing excellent filtration. Custom designed to fit into the existing factory air box, their drop-in design means adding performance is simple. Simply remove the disposable air filter and replace it with a K&N; there is NEVER any cutting or fitting required. K&N stock replacement air filters for street vehicles are covered by their famous **K&N Million-Mile Limited Warranty™** and will be **THE LAST AIR FILTER YOUR MOTOR-CYCLE WILL EVER NEED.**

Tapered for Twin Cam Air Filters

- * 5 1/2" Diameter Metal Top Plate has centered 5/16 NC Weld Nut to Attach Stock Cover.
- * Top Plate is 3-hole Drilled to Fit Standard Mounting Pattern for Twin Cam Air Cleaners.
- * 6 1/4" Diameter Molded Rubber Base

Application

Replaces Screamin' Eagle Part Numbers 29442-99A, 29442-99B and 29442-99C, 29442-99D
