## Helmet Bag

### CHASE HARPER

#### 4725 - Helmet Bag

- An outstanding helmet bag loaded with features!
- Padded & fully lined with protective fleece.
- Durable black nylon shell with tote straps and side pouch.
- Mounting loops for securing in "tail trunk" fashion.

My five week trip to Alaska covered 10,174 miles in all types of weather. The "Helmet Bag From Hell" provided storage for my wind-braker, extra gloves, maps, vest, pretzels, canned salmon and of course, helmet. The special face shield pocket worked great and kept my spare shield safe, clean and accessible.  
Best Regards, Chris Scherle
